

# **Tech rider : Tyvek**

The technical stuff is:

Stage right : Shelley - Guitar, backing vocal.

Stage left : Alex - Bass, backing vocal

Center, front : Kevin - Main vocal, Guitar

Center, rear : Fred - drum kit

We don't run anything direct into the PA.

We're renting gear, so I'm not sure what kind of amps we'll be using yet.

And no strobe lights no smoke machine, no projections during our performance please.

**Thank You !**
