

HANDSOME JACK STAGE PLOT

Stage Left:

Fender style guitar combo amp

Vocal mic

Monitor

Center Stage:

Drum kit (kick, snare, 1 floor tom, 1 rack tom, hi hat, 1 ride cymbal, 2 crash cymbals)

Vocal mic

Monitor

Stage Right:

Bass amp (usually direct input DI into house)

Vocal mic

Monitor

My main live guitar amp is a fender style tweed deluxe- a single 12" speaker probably 15-20 Watts. Joes
Bass amp is a vintage Kustom solid state rig I believe his cab is two 15" speakers
